## Go Western- It's Rodeo Week In St. Albert

Rodeo Week in St. Albert got off to a mighty auspicious start on Monday when one of the most popular Westerners anywhere was guest of honour at Town hall. Lieutenant Governor J. Grant MacEwan branded the first calf and marked the town's 107th birthday by planting a tree, looking right at home in his "Hoss" hat.

Mayor Richard Fowler issued a proclamation urging the citizens of St. Albert to join in the fun of the rodeo celebration and extending an invitation on behalf of the town to all our friends and neighbours in Northern Alberta to come and be our guests at Rodeo 107 this week-end.

The big show is organized by the St. Albert Kinsmen, who aided by many other community organizations have put together what is undoubtedly the biggest rodeo and western spectacular ever staged here.

Probably the most exciting new attraction this year is the Pony Chuck Wagon races to be run right after the Lieutenant Governor returns to officially open the rodeo at 7 p.m. Friday evening.

For the youngsters another new feature is bound to bring big thrills each day. Two lucky kids will

win Mustang bikes each evening. Friday, Saturday and Sunday. The six Mustangs have been made available by the Northgate Mall and children wishing to enter the contest have only to fill out an entry form, available at any one of the one thousand dollar bill booths at the rodeo grounds. Winners will be declared at 11 p.m. Friday and Saturday nights and at 6 p.m.

Sunday, at the rodeo grounds. Remember - Saturday morning is no morning to sleep in! The Bonanza breakfast goes at 8 o'clock at Grandin Park Shopping centre and you sure won't want to miss it! Just the right way to get fortified for a wonderful day of fun, starting with the parade and then on to where the action is - the Rodeo Grounds at noon.

The four Rodeo Queen contestants rounded up the first calf of Rodeo week, but called in Kinsmen Sinclair and a colleague to hold the critter while the Lieutenant Governor branded it "107" with a paint brush. The branding was part of Monday's opening ceremonies for Rodeo week. Gazette Photo.

Mayor Richard Fowler is shown reading a Proclamation declaring the week of June 10th to June 16th, 1968, as Rodeo 107 week in St. Albert, with the four charming Rodeo Princesses in attendance. From left are Claudette Carignan, Linda Nash, Priscilla Lesberg and Louise Lamoureux. Gazette Photo.

Pony chuckwagon races will get the rodeo program off to a flying start Friday evening. A smaller version of the regular wagons, this event is new to the district and is expected to draw large crowds of fans. They will be run immediately following the official opening by the Lieutenant Governor. Competition by the cowboys in the seven major events for the big prizes starts Saturday afternoon, carries through Saturday evening and finals will be held Sunday afternoon. Added attractions are a trick riding act by Wayne Cornish and his father on both horses and a Brahma bull, and rodeo clown, Wayne Hale, one of the best in the business. With rodeo contractor Reg Kesler supplying the stock, and some one hundred top ranking cowboys competing, fans can look forward to the best in thrilling rodeo entertainment.

## protest re-zoning plan

Regular meeting of council was held Monday, May 10. Present were Mayor Fowler, councillors DeBruijn, Gibbon, Wheatley, Donalds, Lukay and Bakker.

Council heard a deputation from the Grandin area, protesting the proposed rezoning of the site north of the Lutheran Church from single to multi family dwelling. Approximately 26 home owners in the area objected for various reasons. A spokesman for this group was heard as was the developer. After some discussion council agreed that: unless the developer could persuade the majority of objectors to withdraw their objections, council would not proceed with the rezoning.

A deputation was also heard from the St. Albert Craft Guild requesting assistance in obtaining suitable premises. Council authorized a study of the cost of completing the war surplus hut now being used by the town for storage, to the standard required. This matter is to come up again at the next council meeting.

In response to a third

delegation council instructed staff to prepare a cost estimate of a road surface on St. Michael St.

As a result of a resolution at the last council meeting, new business was then brought up before the remainder of the agenda.

Councillor deBruijn proposed that before elections the meetings that have been run by the local Chamber of Commerce should now be run by the town, as a service to the ratepayers to enable them to hear the views of the candidates. This was approved.

Councillor Gibbon proposed, and it was approved, that councillors remunerations now at \$10, per council meeting be increased to \$15, per meeting including committee meetings.

Councillor Gibbon also proposed that, to increase the speed and efficiency of the meetings, Roberts rules of order should be applied. This would mean (among other things) that each councillor could speak once only to each motion except the proposer who would have a second crack at it. It was

decided to try Roberts rule for the month of July.

Councillor Wheatley gave notice that he would, at the first meeting in July, propose holding a referendum on amalgamation at the 1968 town elections.

## Robberies

Once again the Grandin Shoppers Park was hit by thieves. Last night Hutchings Shoes was robbed, entry being gained by smashing in the rear door. Mr. Hutchings who has not yet had time to fully assess his loss said "that cowboy boots in excess of \$150, value had been taken." The thieves even removed goods from the lighted display window in the front of Mr. Hutchings store.

Also broken into were The Coffee Mug who lost a box of cigars and the Beauty Salon.

It is clear from the marks on the rear doors of other stores that unsuccessful attempts were made to break in to quite a number of them.

## Local Dancers Score in tap Competition

Here is St. Albert School of Dancing's winning line - the "Bare Necessities". Back row: (left to right) Cindy Forcand, Colleen Kelly, Gladys Smith (teacher) Sherry Miller, Kim Martin. Middle row: Patti Lukay, Jill Leggett. Front row: Cindy Bishop, Marni Matychuk, Angela Kochan and Maureen Gau. Their number won first in a line song and dance event.

Students of the St. Albert School of Dancing made an excellent showing in the annual Tap Dancing Competitions held over three days last week-end in Edmonton. In the Line Song and Dance competition, St. Albert's Bare Necessities line took first, and altogether the school collected 41 medals and awards in the 28 events in which they were entered. Miss Greta Barnett from Winnipeg was the adjudicator.

GOLD MEDALS were won

by Cindy Bishop (two), Maureen Gau (two), Marni Matychuk, Angela Kochan, Jill Leggett, Patti Lukay, Kim Martin, Cindy Forcand, Sherry Miller, and Colleen Kelly, (one each).

SILVER MEDALS were won by Shauna Hite, Susan Logan, Kelly Donalds, Kim Martin, Colleen Kelly, Cindy Forcand, Sherry Miller and Laura Coward.

BRONZE MEDALS won by Maureen Gau, Patti Hughes, Patti Lukay, Colleen Kelly, Lauri Eason, Angela Ko-

chan, Jocelyn Kowalski, Edna DeChamplain, Heather Wright and Marni Matychuk.

MERIT AWARDS to Lana Leger, Joanne Smith, Jocelyn Kowalski, Marni Matychuk, Jill Leggett, Terri Joe Anderson, Shauna Hite, Rhonda Rumpel and Patti Hughes.

Cindy Bishop and Maureen Gau were awarded a trophy for a duet under 10 years with the highest mark.

## Around Town

Who's got the ball? A white, professional soccer ball disappeared Sunday afternoon from the Paul Kane soccer field, after the game between the Ital Blue Angels and the St. Albert Soccer Club. The ball belongs to Brian O'Kall who received it as a gift from a relative in England. The ball is quite valuable and a cherished souvenir, so if you know anything about this ball, be a good ducky and give Brian a ring at 599-7142.

Mom and Dad, treat the kids to a really good movie tomorrow (Thursday) night. St. Albert High School is sponsoring the showing of the film "World Safari" at the school auditorium. Admission is \$1.25 for adults, 75 cents for young people under 16. At these prices, you can afford to take the whole family, and, remember, no school the next day. Farmer's Day. Show starts at 8.

Stanley Gilbert Fowler, son of Mrs. Adeline Fowler, 22 Mount Royal Drive, received a Bachelor of Laws degree at University of Alberta Spring Convocation last week.

## Around Town

Phone your Social and Club news to Hennie Stibbe at 599-7448. Arrangements for photographs can also be made. No charge for news items or pictures.

Harry Rusk and the Drifters, popular three-piece band, will be appearing in the Bruin Inn on the evenings of June 21st and 22nd.

The 4th St. Albert Cubs, Iroquois Pack, ended up in first place at last week's Cub Pow-Wow. The boys were awarded the Leo Nickerson Memorial Trophy accepted on their behalf by their Akela, the Reverend W. Jarvis. This handsome trophy is a shield with a wolf on a pedestal, flanked on either side by Fleur de Lis. Attached are plates with names of all previous winners.

More than 200 Brownies from Winterburn, Morinville and St. Albert attended the Brownie Rally held at the Roman Catholic Church grounds, Saturday afternoon. The girls played games and enjoyed a campfire and managed to devour mountains of hot dogs. The leaders would like to express their appreciation to Mr. Gene Perron, for his generous support.

The driving force behind Camp Mlo-we-ko-win, the recently opened Girl Guide Camp is a group of hard working ladies. Devoting much of their time to working on the camp committee these ladies are to be commended for their efforts: Mrs. W. Jarvis, Mrs. Wm. Cuts, Mrs. A. Vandenbos, Mrs. K. Fehr and Mrs. R. Cairns, all from St. Albert, Mrs. Ruby Brown from Winterburn and Mrs. Gertrude Morris from Morinville.

Division Commissioner Mrs. P. Sandomirsky attended the Girl Guides of Canada National annual meeting, held recently in Winnipeg at the University of Winnipeg. Approximately 155 delegates from all Canadian provinces, the North West Territories and the Yukon were in attendance. A number of Adult Education specialists were featured speakers.

Mr. and Mrs. Glen Ward, 133 Grosvenor Blvd., are the proud parents of a wee girl, Tracy Louise. Daughter number three!

The ladies auxiliary to The Royal Canadian Legion will hold the next meeting June 18, 1968, at the Legion Hall at 8 p.m. Let's have a good turnout ladies. This is the last meeting before summer.

# Letters to the Editor

## Caution urged on Annexation

Dear Sir,

RE: Annexation

I read with interest your report on the action local municipalities have taken when they urged the provincial government to give a hearing to the municipalities before taking action on the annexation proposals presented to them by the City of Edmonton. The city has forced the government to take note of the increasing chaos that piecemeal amalgamation brings, but it is clear that a sweeping annexation such as they propose is not the best solution.

We need a unified approach to local government for the entire metropolitan area. We need a single authority to deal with the complex problems of transportation, police and fire protection, water and sewage, finance and land use planning. We urgently need a system of government which will levy taxes on an equit-

able basis for the entire region and disburse this revenue for the benefit of all who live and work in the area. But these requirements should not prevent local citizens handling local matters. The skills, energies, and understanding of those who are prepared to serve the local community are too great an asset to be cast away in the interests of mere administrative efficiency.

In the present it is undeniable that larger units of government are more efficient. But that does not imply that the biggest is best. Premier Manning has pointed out that cities can become too large. But if we cannot contain their growth, then we must learn to solve the problems they create. From a political point of view, the larger the city becomes the more difficult it is to maintain that

grass roots concern and action which is a basic requirement for a healthy civic life.

On these grounds alone Edmonton's take over bid should be viewed with extreme caution. Something better could be done.

Yours truly,  
C. R. Dawkins

The Mayor and Council,  
Town of St. Albert,  
St. Albert, Alberta.

Gentlemen:

In regard to my recent termination from the Town of St. Albert and following reassurances that my work was entirely satisfactory, I wish to lodge an official protest. It is still hard to comprehend that an employee can be terminated following complaints from a neighbor about the number of cars parked in the driveway. A letter was written to the Town advising of action which was to have been taken in this regard and at the same time measures were taken to comply with the by-law. Therefore, I must only come to the conclusion that when one works for the Town he automatically loses his rights as a taxpayer and privileges as a resident of the Town.

Since council is the policy making body of the Town and even though I realize it is too late for action in my case, I believe a policy should be set whereby at least a warning notice is issued to the employee who "causes embarrassment", to the senior official and is therefore in immediate danger of losing his job.

Gentlemen, I definitely feel an injustice has been committed.

Yours truly,  
Jo Mustaklem,

c.c. St. Albert Gazette.

## Chamber Institute reported excellent

Mr. Rene Kambouroff, president of the St. Albert Chamber of Commerce, attended the Canadian Institute for Organizational Management at the Banff School of Fine Arts June 3 - 8th. The Institute for Chamber representatives was sponsored by the Dominion Chamber and attended by 25 chamber members: one from Quebec, two from Ontario, two from Saskatchewan, eleven from B.C. and nine from Alberta.

Mr. W. J. Sheridan, assistant general manager of the Canadian Chamber of Commerce, was in charge of the Institute and a major lecturer. Mr. R. Clark, manager of the B.C. Chamber instructed 4 of the courses. Mr. M. Baier, manager of the Organization Services Department of the Dominion Chamber instructed in five subjects and Mr. A. Hickey, manager of the Alberta branch-Canadian Chamber, lectured in 3 of the courses. There was a total of 21 subjects covered in the Institute: tourist development, public affairs, industrial development, commercial development and agricultural were among those mentioned by Mr. Kambouroff as particularly outstanding.

Mr. Kambouroff was one of two chamber presidents

## National Unity position clarified

National unity has entered this election campaign under a number of guises; but much confusion arises as to just what does it really mean. To some, it is simply the "Quebec question." To others it is the relationship between the English and French. And by a deliberate attempt to confuse the electorate, a bogey has been raised about Quebec's alleged desire for some international status. What kind of status is involved is not defined, but the wildest insinuations have been made by even the Prime Minister. The issue is misrepresented and more especially is the stand taken by the Hon. Robert Stanfield.

Mr. Stanfield put it very clearly when he said in Fredericton on May 11th: "There can be no question that the federal government is responsible for Canada's foreign policy. Under international law, no Canadian province has, nor can it acquire, the status of a sovereign state. Nor can any province speak for other provinces in fields of provincial jurisdiction without authorization from the other provinces.... Under the B.N.A. Act, education is under provincial jurisdiction."

He could have added that the federal government equally cannot speak for the provinces in the field of, say, education. We also know that certain international labor codes accepted by the federal government have not been ratified because of non-agreement by certain provinces. It is also very much a fact, usually ignored, that the Declaration of Human Rights accepted by Canada at the United Nations has never been ratified because of non-agreement by some of the provinces. After all, labor and civil rights are both spheres of shared jurisdiction.

Many of the provinces have had contacts and arrangements for many years with foreign states in the areas of their responsibility such as education. Ontario for years has had an agree-

ment with Britain covering the exchange of teachers and students. It is not a formal agreement. No one has raised a fuss about it. Nor was any objection raised very recently when a senior official of the Ontario department of education went to France to arrange with the French Government about a supply of French teachers for Ontario schools and the government service. Many of the provinces - including Alberta - maintain official representatives, called agents-general in London and these are official contacts with the British government. Ontario maintains an aggressive immigrant recruiting service through its Agent General. Has anyone objected? Of course not.

Provincial premiers frequently pay official visits to foreign lands to deal with cultural affairs, but most often about trade and development of resources with foreign capital. The official interest by the Japanese government in Alberta coal, iron ore and oil hasn't come about through action by Ottawa only, if at all. Premier Manning went to Japan officially, as he has the power to do, and had extensive contacts with the Japanese government. Has anyone objected? Or when Premier Thatcher went to the Far East to try to sell potash - Perhaps Prime Minister Trudeau would, when he says that the address for all international contacts for Canada shall be Ottawa only. Countless more examples would show him and his blindly repeating candidates to be wrong.

One of the tasks facing the continuing constitutional committee set up last February under former Prime Minister Pearson, assisted by Mr. Trudeau is to work out ways whereby the federal sovereignty will be preserved and the provinces and perhaps particularly Quebec be made to feel secure in the pursuit of their legitimate roles in the fields of education. This too includes consultation, co-operation and liaison with educational authorities in other parts of the world but not formal treaties or protocol agreements made between sovereign states.

Much has been made of the Gabon incident. Quebec and Ottawa acted both childishly and even stupidly in that case. France was fishing in muddy waters. An easy lesson is to be learned. There is an area of uncertainty in such a case - consultation and agreement between Ottawa and the provinces will clear it up.

The stand taken by Mr. Stanfield as leader of the Progressive Conservative Party is clear and correct. It has been misunderstood but chiefly distorted and misrepresented.

### Not Vice-versa

Though the people support the government, the government should not support the people - Cleveland,

TEVIE MILLER  
LIBERAL CANDIDATE  
EDMONTON WEST

## Interview with Tevie Miller

In an interview with Tevie Miller, Liberal candidate for Edmonton West, who called at our office Tuesday morning, Mr. Miller remarked on the tremendous interest of the people in this election. The Gazette asked him to what he attributed this. "I believe the public has been fed up with parliament over the past several years, and discouraged by the Pearson - Diefenbaker debate" said Mr. Miller. "Now they are being offered a definite choice between two party leaders". He felt the impact of the two national leadership conventions so well publicized on television was also a factor, and the fresh approach of Prime Minister Trudeau. Mr. Miller said also that the keen interest of the young people which he has encountered in high schools is, he believes, stimulating the interest of the parents, in the election.

Mr. Miller was then asked "What do you feel is the single most important quality a political candidate must have to impress young voters in the 21-30 age group?" "Complete honesty" was his reply. "You cannot bluff them or beat around the bush." He remarked that the young people are asking intelligent and perceptive questions and they want direct answers.

"Do you feel that there are as many uncommitted voters now as there have been in previous elections?" was the question put by the Gazette. "A far higher percentage of people will say immediately when you call at their home whether they are supporting Trudeau or Stanfield" said Mr. Miller. "I would estimate this time that about 50% of those we have talked to have done so. This is a far higher percentage than I have experienced in working on previous campaigns for other candidates."

workers and consumers and to help relieve pressures of over-population in other countries.

The Gazette also asked Mr. Miller his views on the problem of selling our large surpluses of wheat and barley before the new crop comes on the market. He said that Mr. Greene, Minister of Agriculture, and members of his department seemed confident that the United States would ratify the International Grain Agreement by July 1st and this would put Canada in a much stronger competitive position and largely resolve the present difficulties. Mr. Miller went on to say that while he was on a trade mission visit to the far East it was brought home to him that the Chinese people did not like the fine quality flour from Canadian hard wheat, preferring a coarse textured flour. So that he felt efforts were necessary to provide what the customer wanted and such measures as mixing grades at the terminals should be investigated.

Asked how he assessed his chances, Mr. Miller said there was definitely an upswing evident since the start of the campaign.

## Taxation Housing Major Issues

I cannot possibly explain the program of the NDP in this limited space but I would like to take this opportunity to outline what I consider to be some major election issues. I believe that the major recommendations of the Carter Report on taxation should be adopted. It offers proof that our tax system is unfair. I regard a dollar as income no matter what its source and would therefore tax capital gains. It also maintains that companies wishing special tax

concessions prove that they need it. No one likes to pay taxes. The only thing that makes it bearable is knowing that everyone is paying their share. Adoption of Carter's Report would insure this.

I believe that our national housing crisis is a direct result of Liberal and Conservative of not intervening in the private sector of our economy. Nine and one-eighth per cent is too high for NHA interest rates. They should be pegged at 5%. The money for these mortgages could be made available by imposing the type of refundable tax used by the Liberals last year, on corporations, or by the government directing a portion of institutional investments into the housing field. The private sector of our economy has failed in housing. We should not fall to use the power of our government to fulfill this basic need.

Finally, I believe that a universal medical care scheme is the only way we can insure that all Canadians have the best medical attention available, as a right regardless of ability to pay, just as we educate all our children regardless of their parents' ability to pay. Seventy-five per cent of the cost should be born by the federal government so that the poorer provinces can enter the scheme without bankrupting themselves.

Remember the NDP keeps election promises.

## Murray resigns as school secretary

Eric Murray, secretary treasurer of St. Albert Protestant Separate School District No. 6, has submitted his resignation effective August 1 in order to accept a similar position with the Medicine Hat School District. Mr. Murray, who came to St. Albert a year ago from the Department of Education, has emphasized that only the wider opportunities inherent in the larger system persuaded him to leave St. Albert. R. H. Harvey, chairman of the St. Albert school board has stated that his departure will be a very real loss to

the district, and his resignation is being accepted only with profound regret.

Mr. Murray is married and has a son and a daughter. A native of England, he came

to Canada in 1954, and before serving in the Department of Education he was employed by the Jasper Place and Edmonton Public School systems.

Against a background of majestic Alaskan grandeur, Ron Hayes, famed outdoorsman and big game hunter is shown with a Trophy Dall Sheep, one of the most coveted of sportsmen's prizes. The outstanding color film "World Safari" depicting expeditions of Mr. Hayes to Africa, India and Alaska will be shown Thursday, June 13th at the St. Albert High School. Proceeds will aid the Youth Apostolates in the summer project of working in some of the poorer communities in northern B.C. and Saskatchewan.

## Coming events

- JUNE 12, WEDNESDAY - Election and general meeting of the St. Albert Local Association of Guides and Brownies at 8 p.m. in the R. C. Parish Hall.
- JUNE 13, THURSDAY - "World Safari" a full length color movie at the St. Albert High School Auditorium, 8 p.m.
- JUNE 16, SUNDAY - Band concert at Lion's Park, 2 p.m.
- JUNE 19 - WEDNESDAY - Orientation night at Paul Kane School for exchange students, their parents and interested people.
- JUNE 22, SATURDAY - C.W.I. Rummage Sale at the R.C. Church basement from 10:00 a.m. to 4:00 p.m.

## Anne Romaniuk busy for NDP

Anne Romaniuk, NDP candidate for Pembina riding has been busy with joint forum meetings at Ellscoff, Mayerthorpe, Athabasca and Rochester. On June 5th Mr. Allen O'Brien the Mayor of Halifax spoke on behalf of Miss Romaniuk at a meeting held in Fort Saskatchewan.

During the day, Anne teaches school and on the week-ends she is on the campaign trail - a very full schedule indeed. Miss Romaniuk, who was born and raised in the Myrnam district, graduated from the University of Alberta with a Bachelor of Education degree, and is presently a teacher at Rosslyn Junior High School in Edmonton.

Which rides are most popular? West Coast expects a long line-up for its two latest thrills, billed as the "terrifying Trabant" and the "sensational Scrambler". But there are plenty of staunch adherents to the old favorites such as the ferris wheel (WCS has two), the Paratrooper, the bumper cars, and the Round-up, the centrifugal-force fun machine that takes the ground from under you.

Political pie is made up of baloney, applesauce, plums and dough.

After many years, a confirmed bachelor got married. About three months afterwards he was complaining vehemently about married life.

"What's the trouble?" a friend asked.

"She's always getting in my way when I try to cook dinner," the ex-bachelor moaned.

## Midway Rides are coming

West Coast Shows, last of the big Canadian carnivals opens in St. Albert for a three-day run on Friday, June 14th.

"There's no bigger motorized midway than us in all of Canada," So says E. D. "Tiny" Nicholls, partner in the giant carnival which annually completes a 15,000 mile, 6 month journey bringing all the fun of the fairground to communities across the continent, from Vancouver Island to the lake head.

"How big? Well, it takes a fleet of some 35 highway units - mostly semitrailers to get us mobile." In fact, this carnival community on the move includes in its giant gayland no less than 24 motorized rides, a section of special kiddie rides - including ponies, plus more than a score of games and shows for all the family.

When it's all set up, the WCS "village" covers some 350,000 sq. ft., has a working population of over 200, and supplies its own power from mobile generators.

Pictured with Mayor R. S. Fowler and Mr. Wm. Soprovich, chairman, St. Albert Library Board, are Mrs. Lorne Akins, first president of the St. Albert Women's Institute and Mrs. Susie Atkinson of Lacombe. Mrs. Atkinson was honored by the W.I., Saturday afternoon when her photograph was presented to the Library Board, Mrs. Atkinson started a library in the Town of St. Albert nineteen years ago.

## Townpeople hear Stanfield

On Tuesday, June 11, a cavalcade of decorated cars containing supporters of Marcel Lambert left St. Albert for the Jubilee Auditorium to hear the national leader, Mr. Stanfield.

They arrived at the auditorium at 7:15 in time to enjoy the bands, dancing and general hoopla going on in the area in front of the auditorium.

Sharp at 8:30 Peter Lougheed introduced the candidates and their wives of the platform party.

Miss K. Elfas then introduced Mr. Stanfield who received a standing ovation.

Mr. Stanfield spoke for almost an hour and the press members present agreed it was one of his best speeches to date. After referring briefly to the candidates present, Mr. Stanfield reviewed the conservative policies, stressing once again the economic ills facing the country and the urgent need to find answers to these problems. The acute housing shortage, he said, is further slowed by the 11% sales tax which he would remove. He commented on the need of financial restraint and how this can be

ROBERT STANFIELD

affected by more efficient management. The real need for a complete overhaul of the welfare program to reduce payments and unemployment through retraining and relocation was emphasized by the conservative leader.

His only reference to "the great debate" was that he enjoyed it and regretted Mr. Trudeau was bored.

At the end of his speech he again received a standing ovation from the packed auditorium and the large overflow crowd watching on closed circuit television in the basement.

## Election News

All candidates in the Pembina riding will attend the FUA picnic at Busby on Friday afternoon at one o'clock. Voters will have an opportunity to meet and talk with Paul Chalfoux, Liberal candidate of Morinville, Jack Bigg, Progressive Conservative from Westlock and Anne Romaniuk, New Democrat of Edmonton.

## Pembina Election Forum

The Morinville Board of Trade will be sponsoring an election forum for the Pembina Constituency, to be held in Morinville Legion Hall on June 17, 1968 at 8 p.m. Speakers in attendance will be Mr. Jack Bigg, Progressive Conservative candidate from Westlock, Miss Ann Romaniuk, N.D.P. candidate from Edmonton, and Mr. Paul Chalfoux, Liberal candidate from Morinville.

Everyone is welcome to attend and coffee and donuts will be served.

## 24 students in exchange program

This year's exchange student plan is entitled the "Young Voyageur Program" jointly sponsored by the Federal and Provincial governments. A few thousand young Canadians about grade 11 level will participate at no cost to themselves. Boys and girls are selected who have demonstrated by their leadership ability, personality and community involvement that they are worthy ambas-

sadors for their school and province.

Twenty four students from St. Albert will take part in the program this year, 12 from St. Albert High and 12 from Paul Kane High, to be accompanied by two adult escorts. These young people will travel to Jonquiere (near Chicoutimi) Quebec, leaving July 26th for a one week stay.

On August 19th students

from Nova Scotia will arrive for a one week stay in St. Albert. In both cases the students are billeted in the homes of host students. Activities being planned for the maritime visitors include a trip to Jasper Park, banquet and dance and a Hootenany and barbecue. Local service clubs are helping with some of these activities.

Two major purposes of the plan are to give students the opportunity to meet and

gain a better understanding of Canadians living and working in another province, whose regional and perhaps cultural background differs

from their own, and to exchange viewpoints and ideas with other students.

There will be an orientation night June 19th at 8 p.m.

at Paul Kane for the participating students, parents and other interested people. The film "Centennial Travellers" will be shown.

The St. Albert Welcome Wagon Newcomer's Club installed a new executive at their meeting held June 5th at the Club Mocombo. Pictured are seated, left to right: Marilyn Underwood, treasurer; Agnes Maclean, secretary; Linda Person, vice-president. Standing, left to right: Myrna Derieu, hospitality; Irene Manderville, membership; Angela Breadner, president. Diana Speake, reservations, was installed in absentia.

### SWIMMING

A separate advertisement shows the schedule for July and August. Please note that registration for lessons will be taken at the Clubhouse on two days only prior to the start of lessons. Because of low attendance, public swimming has replaced family swimming on Saturday mornings from 9 a.m. till 12 noon from now till the end of June.

### Water Polo

It is hoped to "field" both junior and senior water polo teams in the Edmonton league. There are now over 20 boys playing as juniors - practises are held every Tuesday and Thursday from 6 to 7 p.m. More men (19 years and over) are needed before a senior team can be formed. If you are interested - or just curious - make enquiries at the pool.

### Swim Club

Last Friday almost 50 young people turned up at the pool for the try-outs for the competitive swim club on St. Albert. This club is in the process of being formed and a parent's meeting has been arranged for June 14 at 8 p.m. in the Clubhouse, 5 Grenfell Ave. beside the swimming pool.

Parents who have children in the Club or who want to know more about it are invited to attend.

### TENNIS

The Dyde Cup match scheduled for last Sunday was unfortunately cancelled at the last minute because Calgary was unable to field a team. Edmonton won by default. The last instructional classes for the season are advertised elsewhere in this issue. Dale Jackson who will be conducting the advanced class is a resident of St. Albert. He is an extremely competent tennis coach, having had extensive experience coaching, both here and in the U.S. He has also written a widely used tennis manual on the "Fundamentals of Tennis".

### FASTBALL

Calahoo hosted the game last Wednesday and beat the visiting St. Albert Drive-In team by 16-13. Spruce Grove beat St. Albert Texaco at Spruce Grove by 11-4. On Monday night St. Albert Texaco was beaten by St. Albert Drive-In by 16-6. Most of the teams in this league will be competing in a Sports Day being held at Spruce Grove on June 23.

### BASEBALL

Results of the Lions League baseball are: Orioles 20 - White Sox 9; Red Sox 18 - White Sox 20; Cardinals 5 - Orioles 7; Red Sox 20 - Twins 19; Angels 19 - Orioles 3.

Standings to date are as follows: Angels 20; Orioles 12; White Sox 11; Cardinals 6; Red Sox 5; Twins 2.

### MENS SOCCER

Results of last weeks games: Olympia 2 - St. Albert 2; St. Albert 3 - Blue Angels 1.

The St. Albert team has played seven games to date and has won four of these, tied two and lost one. Next Sunday's game is against Olympia at the Paul Kane football field.

### North Central Alberta Baseball League

St. Albert Oilers have played one game to date in the newly formed North Central Alberta Baseball league. They were "edged out" by Morinville, 15 - 3 on June 5 when they played on their home diamond at Mission Park. On June 12 they play Legal at Legal and on June 19 they take on Fawcett here in St. Albert.

The local team is indebted to their sponsors for the valuable assistance given to them: the Bruin Inn Hotel, St. Albert Drug Store, Jim Byrne's Mens Wear, Harry Hutchings Shoes, Royal Shoes, Dave's Meat Market, Rogers Esso, Veness Bulk Service, Sturgeon D & A

The trouble with a chronic borrower is that he always keeps everything but his word

Service, Purple Dude, Reggie's Gardware and Grandin Cleaners.

As well as regular league games, the local team has participated in several invitational tournaments which

are played weekly in various parts of Northern Alberta. Future tournaments are scheduled at Morinville on June 22 and 23, at Fawcett on July 1, and at Legal on July 27 and 28.

## On the Teen Scene

Monday is Father's Day and all you have is \$1.25 to spend on a present... Is that what's troubling you, 'unkle? Well, cheer up, because \$1.25 will buy your pop a ticket to see "World of the Future" a full length color movie at St. Albert High auditorium this Thursday night, June 13, at 8 p.m. He really doesn't need socks anyway!

The campaigning was active

and most interesting, the vote was a close one. After the final ballot was cast, Paul Kane had elected the following Students Union executive: Rick Bauman, president; Elizabeth Bowen social secretary; Patti Nickerson, secretary treasurer. The three runners-up will make up the consulate. They are Larry delbruin, Robert Coles and Steve Harvath. The executive will be in office during the summer months planning such events

as the Grad Dance and Frosh Day. Speaker of the House is Chris Seler and it is Chris' duty to appoint a deputy speaker. Interested grade 10 or 11 students are asked to contact Chris. This year's deputy speaker will be speaker next year.

One Paul Kane student will be chosen soon to attend the student union workshop which will be held at the U of A in early July. The workshop, which runs for one week, will discuss the purposes and goals of the student union.

The exams forestal most of the activities and all is quiet on the Teen Scene.....

## the Gazette REFLECTS

It is frequently said that a nation gets the government it deserves. Perhaps it could be more accurately stated that a government in a free society must reflect what its people are.

For those who govern can go no further in any direction than the point to which the people will follow them. This may sometimes slow progress. It will also prevent a dictator from arising who can lead a democratic people away from what they are convinced is right. But backed by alert and informed public, the countries of the western world could have stopped Hitler BEFORE world war two.

It is an awesome fact for leaders and the public alike. We now have tools to help. Instant news and personal confrontation by radio and television. News backed up by mass circulation of newspapers and magazines with world wide correspondents to more fully inform us with background to the news and informed comment on it.

Let both leaders and the public use these tools to the advantage of all. Leaders and elected representatives are responsible for honestly presenting their plans for building our nation and how they intend to make those plans work. Not only during an election campaign but throughout their terms of office. Citizens are responsible for keeping themselves well informed on national and international affairs, so that they may intelligently and actively support the men they elect.

A few local farmers, as well as some from north of our district, attended the Ranch Field Day June 10th at Hinsella, sponsored by University of Alberta; which was attended by 500 from all parts of the province. After a barbecue luncheon, the program was very interesting to those in the cattle raising and feed lot managements. We did notice the crops here are much more advanced than farther east on this trip.

## AUMA works on brief on school requisitions

The Alberta Urban Municipalities Assoc. is going to prepare a brief for presentation to the provincial government on rising costs for supplementary school requisitions. They are presently asking for mill rate and cost figures for each of the years 1964-68 to be forwarded by city treasurers.

The association urges municipalities to have representatives attend meetings on the new act respecting health regions as these are called. Hon. J. Donovan Ross has announced that final reading of the Bill 87 was intentionally delayed until the next sessions of the legislature, to allow time for full information to be given Health Unit Boards, Municipal Officials and interested residents. He said full discussion will take place through a series of meetings to be held across the province.

The AUMA has received requests for a bylaw, passed since the new highway traffic act was introduced last year, which is suitable for smaller centers. They would be happy to receive a copy of such a bylaw from any municipality having one.

The association reports that as of June 1, 1968, they have two cities, 15 towns and 9 villages enrolled in their Group Life Insurance plan. Coverage is in excess of \$3,000,000, and another city will be joining July 1st. Further information may be had from the AUMA office in Edmonton.

The executive committee of the association has accepted an invitation to attend the

annual meeting of the mayors and reeves association of the Peace River district on June 13.

## Around Town

Students of the St. Albert School of Dancing will present a recital on Friday evening, June 28 at Father Jan school commencing at 7:30 p.m. About 150 local dancers will take part in the program. The "Bare Necessities" line dance which won first place in its category at the Alberta Tap Dancers competition, will be on the program, along with other numbers receiving prizes at this big event.

An enjoyable evening of square dancing was held recently in St. Albert in the Albert Lacombe school gym. This was the final dance of the season with about 100 people in attendance. Guests came from square dance clubs in Edmonton, Leduc, Nampa, Duffield, Fort Saskatchewan and London, England. Our caller is Syd Deguire, a local resident who has called and instructed us for the past four years.

Square dancing thrives through exchange visits between clubs in the city and surrounding area, much as sports improve when teams visit each other to match their skills. This club in St. Albert, called the "Saints and Sinners" has a reputation for friendliness, so if you would be interested in joining us contact Neil Kelly at 599-6234 and you will be notified of starting dates in the fall. Remember the square dance motto "square dancing is fun".

The St. Albert Atom Soccer League has been drawing good crowds at their regular games Tuesday and Thursday evenings. The kind of fans who supply kool-aid and oranges to the hard working players, four

teams play each of the two nights with the first game at 6 and the second at 7:15 at the Grosvenor park pitch. In last week's play Grandin United and Mission Saints played to a scoreless tie, Grosvenor Lions won by de-

arly with a 2-1 score, and one loss for a St. Albert team in the week's play!

An inveterate golfer came home to dinner. During the meal his wife remarked: "Junior tells me he caddied for you today."

"Now that accounts for it," said the father, "I knew I'd seen that kid somewhere before."

## Alexander Band Honours Priest on 50th Anniversary

On Sunday, May 26th, the Indians of the Alexander Reserve near Riviere Quil Barre, Alberta, honoured their missionary priest, the Most Reverend Father Pratt on his Golden Anniversary. Father was ordained a priest on May 19, 1918 in Edmonton. Father Pratt has been the missionary priest in this area for 27 years.

A solemn high mass was sung by the Indians in honour of Father Pratt. A lovely group of children received their first communion on this memorable occasion. The girls all dressed in white with their communion veils, the boys in dark suits white shirts and bow ties, really depicted some of the results of Father's great dedication to this Indian community. Following the mass, the Indians escorted their honoured guest to their community hall, where a marvellous banquet was held on Father's behalf. The hall was beautifully decorated. The tables were decked with white linen and flowers. The head table was decorated with a golden tablecloth. A huge anniversary cake upon which was written "Happy Anniversary Father Pratt" was served by the young girls. Much colour was added to the decor by a large variety of dainty salads, along with a nice variety of other foods. The meal was delicious and the Indian women are to be highly commended for a job well done!

Following the dinner, Father was presented with a beautiful golden travelling clock from the band members. Telegrams of congratulations and blessings were received from the Pope, Prime Minister Trudeau and Premier Manning.

The women on the organizing committee were, Mrs. Mary Louise Kootenay, Mrs. B. H. Arcand, Mrs. Lena Kelth and Mrs. Tony Arcand.

The honoured guests present were the Most Reverend Father Provincial (Father Latour), Father Descheneau, St. Albert, Father Rozmahel, Mearns. Representing the Knights of Columbus were Mr. George Soetaert and Mr. Ed Savoy. Father Pratt received the honour of being invested with the decoration of the insignia of a knight of the fourth degree. Father was made a fourth degree knight at a previous ceremony in Calgary.

Other honoured guests were Mr. and Mrs. Art Soetaert. Mr. Soetaert has been responsible for the successful 'farm trust' program that is presently taking place on this reserve. Other guests were Mr. and Mrs. Johnny Stevens (farm trust) Mr. and Mrs. Adelard St. Laurent, Mr. and Mrs. Mark Calder, Mrs. James Arcand and Mr. and Mrs. Wetschen and the teaching staff of Alexander School.

Mr. A. Huard, principal of the Alexander Day School was guest speaker. Mr. Huard said that we were all gathered together to pay this great man homage for his dedication and his great service to our Lord, the Indians, to our country and to the world. We must stop and realize the importance of the individual in our society today. Yes, the individual makes up our reserve, our province, our country, and indeed is the very nucleus of the world. Each and every one of us must remember

that Christ created us for a purpose. We were not given life simply for life's sake. We were given life to serve—firstly, Our Lord, and secondly—others.

We must be concerned with the world around us if we as a modern society, in a highly industrial and scientific age is going to survive. Father Pratt dedicated his whole being to the service of mankind as an Apostle of our Lord.

Father has become totally involved in his work. We must be able and willing to project our energies and our minds to the task at hand. You must become totally involved if you're going to be happy! How great is the dollar in your life? Is it greater than accomplishing a task well done? Is it greater than love, understanding, tolerance, generosity. Mr. Huard went on to say that we must develop a finer set of values and so give a real purpose and real meaning to your life. Father Pratt lived by certain values and principles and dedicated his life to the service of mankind. If we had more like Father Pratt in the world, we wouldn't have racial upheavals all over the world, but in its place we would have love, understanding, human equality, human dignity and equal human rights because we would have God in our souls.

Mr. Huard summarized his address by saying, "So firstly, we must have faith in our Lord, secondly, you must have faith in others and in yourself! Thirdly,

we must try to develop a finer set of values. Fourthly, Pray! I can well assure you that our Good Lord will look after the rest! So

with our hopes and aspirations for the morrow, may we all work toward Peace on Earth, Goodwill toward men!"

## Big Gymkhana for Fete Au Village

The Local Lancers Riders go through their paces at last year's gymkhana, which proved an outstanding attraction at the Fete au Village celebrations. A big two-day gymkhana will again provide plenty of color and excitement at this year's festival.

Gazette Photo

Legal's plays for the 1968 edition of the Fete au Village are shaping up for an outstanding summer festival on July 27 and 28.

A real attraction for young and old both days will be the presentation of the "cow-

boys and cowgirls" rodeo at the big two-day gymkhana.

Seven trophies will be donated by the Local Residents Association. Competitors will be given in all major events with a cash prize

trophy for top cowboy of the two days.

Gymkhana events include the following: Senior Men: 1) Pole bending, 2) Stake race, 3) Novelty, 4) Flag picking, 5) Barrel race.

Junior Men: 1) Pole bending, 2) Stake race, 3) Novelty, 4) Flag picking, 5) Barrel race.

Boys: 1) Pole bending, 2) Stake race, 3) Novelty, 4) Flag picking, 5) Barrel race.

Girls: 1) Pole bending, 2) Stake race, 3) Novelty, 4) Flag picking, 5) Barrel race.

Remember the gymkhana is open to anyone interested in participating.

"Polish your boots" take out your spurs and get in shape for the 27 and 28 of July. Don't miss this main attraction at the Fete au Village.

### Trustees report fine course

Thibault R.C.P. school trustees - chairman, Leon Riopel, Matt Teller and Mrs. Anne Kryslow along with senior principal W. Fitzpatrick and secretary treasurer, Paul Brochu attended the 24th annual school short course and seminar held in Banff on June 6, 7 and 8.

The trustee section dealt with teacher training and preparation of teachers for community colleges. Some time was spent in the study of all the changes that are coming about in education. A very interesting speaker was Dr. A. R. MacKinnon, dean, faculty of education from Simon Fraser University, where a lot of controversy has taken place lately. Demonstrations on micro teaching was very informative. The secretary treasurer program was geared to information on foundation program returns by A. Bredo, department of education and introduction to main theme of accounting system for school affairs. At a joint session Hon. Roy Referson spoke about changes in education arising from 1968 legislation. A question period between trustees and department of education officials helped to explain the needs of the many changes necessary.

## County hears report on industrial group

Mr. Wilson of the public relations committee reported to council on the meeting he had attended of the Edmonton Industrial Development Area Assoc., that was held at Fort Saskatchewan. He stated that he was quite impressed with the deliberations that took place. Representatives from the department of industries attend such meetings also. Representatives from various existing industries in the area. This association seemed to carry a consider-

able amount of influence at the government levels in relation to the location of the development of new industries. The association has prepared pamphlets and is distributing copies of such country wide and even internationally advertising the areas of the municipal members of the association. Mr. Johnston, secretary treasurer of the association, assured Mr. Wilson that if the Municipal District of Sturgeon wishes to join the association, he would be

prepared to attend a council meeting and negotiate a flat membership yearly fee for this municipality. The regular membership fee is based on .20¢ per capita but for Sturgeon exception would have to be made in order to exclude the Nampa airbase and Griesbach population. Mr. Johnston decided to attempt to join this association and stated that an invitation be extended to Mr. Johnston, secretary treasurer of the association, to attend the

## Promenade all and join the craze There's fun for all at Frontier Daze

On June 20 the M.V.R. at their luncheon in Morinville Centre introduced the Frontier Daze Princess candidates. Band leader, Wally Curtis did the honors of presenting the Princesses to the teen crowd.

Preparations continue at an ever increasing pace as the entire community of Morinville prepares for the big Frontier Daze celebrations being held there June 22 and 23.

The Grand Promenade begins at the bandshell at 1:30 p.m. Saturday when EVERY-

BODY - visitors and townsfolk alike can get into the act. Costumes will be judged in three categories, Family Groups (members of families

cost dressed in similar costumes). Most Original Frontier Daze Dress (in cotton and Best Sunday Dress Costume (silks, satins, fancy dress). Prizes will be awarded for each of the three categories by the judges.

A gala mainstreet breakfast starts the fun early Saturday morning. There will be a parade, Indian dancers, bandshell variety entertainment, a Slave Auc-

tion, international food booths, home decorating contest, Citizen of the Year

award, Mayor's shoot-off, fireman's water fight, square dancing, old time dance, teen dance - You just can't help having a good time at Frontier Daze. Get out your Frontier or Klondike finery and prepare to enjoy a visit to Morinville.

YVONNE REMILLARD

Yvonne was born in Gravelbourg, Saskatchewan, eighteen years ago and lived also in Moose Jaw and Prince Albert before moving to Morinville ten years ago with her family.

This summer she will be going back to Saskatchewan to take a course in psychiatric nursing. While in Morinville she has been active in the Girl Guides movement and a member of the girl's softball team. In addition she has worked at the telephone office and at Ann's Par-T Kitchen. Yvonne says she will always carry wonderful memories of Morinville and she is looking forward to being Miss Frontier Daze.

ANNE HUGHES

Anne, who is 15 years of age, was born in Edmonton Sept. 10, 1952, where she lived for three years before moving to Devon. After a year there the family moved to a larger centre, Vegreville, which was Anne's home for 4 years. Five years ago she moved to Morinville and lives at present two and one-quarter miles west of town.

She enjoys sports, particularly all forms of spectator sport and dancing is a favorite hobby. Anne is a good supporter of local teenage events. At present she is also trying her hand at sewing techniques. She plans after high school to study for a Bachelor of Education degree at the University of Alberta. Anne leads a busy and active life and that's the only way to have it, she says.

LEA RIOPEL

She was born in 1947 and has lived in Morinville all her life. She has two main hobbies. One is sports and the other one is singing and playing musical instruments such as guitar, piano and mouth organ. Her main interest right now is to join the Edmonton City Police Force. If she is unable to do this, she will then turn to a singing career which she has already started in the Edmonton Opera Association. With luck Lea hopes to enter one of these fields of work. Of course, sports will never be left aside says this energetic young lady with the extremely varied interests and talents.

DOREEN VERVYNCK

Doreen is one of the five young candidates competing in the Miss Frontier Daze contest. She was born on the 12 September, 1952. She is now fifteen years of age and is completing her grade ten in Morinville. Doreen's father is employed by the Shell Service station in Morinville and her mother works as a waitress at Anne's Lunch Bar also in Morinville. She has two older brothers, Paul and Jerry. Paul is now married and lives in Edmonton. Jerry is a first class auto body mechanic and lives at home.

Doreen has resided in Morinville all her life. Two of her favored hobbies are sewing and hairdressing. She makes many of her own clothes and says she will be making her formal for the Frontier Daze activities. Next year she will be attending St. Joseph's Vocational school in Edmonton where she will be taking a beauty culture course, and at the same time completing her high school education. Her career ambition is to become a hairdresser.

IRENE SCHAYES

Irene, sixteen year old daughter of Mr. and Mrs. Edward Schayes, was born and raised in the Morinville district. She is one of the five candidates running for Frontier Daze Queen.

Irene has one married sister and one married brother besides one sister who works for the Royal Bank, and two younger sisters still going to school. Irene is taking her grade ten and is going for her diploma, she will continue her education at Georges Vanier, here in Morinville. Irene would like to follow in her sister's footsteps and take up a banking career. Her hobbies are reading, cooking and learning to drive a car.

# M.D. meets with Mayor

Mr. Art Stapleton, mayor of the Town of Morinville, attended the May meeting to discuss various matters with M.D. of Sturgeon, including fire protection services in respect to firestand by.

Mr. Kluthe, chairman of the protection committee of the municipality, assured Mr. Stapleton that it was his intentions to have a meeting in the near future with the four fire chiefs in charge of the municipal fire truck units.

The council felt that the Town of Morinville should make some arrangements with the Alexander Reservation Council Band if said band requested fire protection services.

Mr. Stapleton stated that some home owners living along the road adjacent to the ditch water flowing into Heritage Lake were disposing raw effluents in said ditch and thus deteriorating the water in said lake. The council stated that it would carry out an investigation on said matter.

Mr. Stapleton suggested that it would be for the betterment of all people concerned if a better liaison could be established between the municipal councils and school boards.

The Reeve thanked Mr. Stapleton for having attended the meeting.

Council moved to write a letter to Dr. Howell, medical officer of Sturgeon Health Unit requesting that the sanitary inspector carry out an investigation of the sanitary conditions of the sewage disposal in the road allowance ditch 1 and 1/4 miles west of Morinville. This sewage effluent drains into Heritage Lake and causes deterioration. Council is to be advised of the sanitary inspector's report.

## TOANE PROJECT

Copy of plan as well as the revised cost estimate and design for the V. E. Toane flood control project (Twp. 56, Rge. 21 4 22 W4th) were read to the council. Changes were only considered along line A while line B remains the same. The April, 1968 are as follows: Line A - \$20,034, and Line B - \$6,984. Mr. Nevington informed the council that he had collected the farmers' shares from almost everyone on the project. Council will advise the water resources division be advised that it is the council's intention to proceed with the Toane Flood Control project this year.

With regard to the Canadian Transport Commission mileage 10,57 Sangato subdivision Mr. C. W. Rump of the commission will be informed that the municipal district of Sturgeon is prepared to pay 12 and 1/2% of the cost of installation and 50% of the cost of maintenance and operation for the C.N.R. crossing automobile protection.

Council approved the installation of 1-60" CMP x 10 gauge 96' length culvert at S-SE 26-56-23-1.

PAGE 2

Council also approved the plans for the power extension to B. Chabanluk on the SE 22-55-23-4 by Calgary Power Line.

The request for cancellation of old road diversion by Mr. Glen Gabbay was tabled until further investigation be carried out on road plan 2309 CL.

Gravel contracts between R. DeChamplain and M.D. of Sturgeon per Mr. W. Van de Walle was received re 30 miles of road to be gravelled, at \$1.25 per yard plus trucking at municipal rates. Council approved the contract.

Council also approved gravel control of Unity Construction and M.D. of Sturgeon per D. Nevington - 11 and 1/2 miles of road to be gravelled at approximately 200 yards to the miles spread on road at \$2.85 per yard. Four miles of road to be gravelled at approximately 300 yards to the miles spread on road at \$2.65 per yard.

## COMPLAINTS

County council dealt with a number of complaints and requests at the meeting.

Mr. Van de Walle, chairman of the public works committee read to the council the minutes of said committee's meeting held May 3, 1968.

The committee inspected the complaint of Otto Pretzloff re road condition and drainage on W 1/2 20-55-23-4. They found no damage caused by this municipality while surveying road on the west side of his property. The brush that had been pushed onto his property had been removed.

Council will apply to the water resources division, department of agriculture, for a survey on the drainage of the following parcels of land: W 1/2 20-55-23-4, NW 1/2 17-55-23-4, NE 1/2, SE 1/2, NE 1/2 18-55-23-4 and that Mr. Pretzloff will be sent a copy of said application.

Mr. Rye informed the council that he had investigated the dust problem on 127 Street with the committee and stated that he had, after said inspection, contacted Speedway Park Motor Centre and the company had agreed to pay the entire cost of oiling 127 Street from 137 Avenue north 3/4 of a mile which he assured had already been completed. Council received the public works committee's report.

Mrs. Bertha Scott, of lot C, block 11, Barton subdivision, had telephoned a complaint in relation to auto wrecks being scattered on the dead end road adjacent to their property. Mr. Rye informed the council that the auto wrecks had all been removed.

Miss D. Kollista complained re Mr. Stefanuk boarding horses. Her letter was read and council will inform Miss Kollista that Mr. Stefanuk has no permit for operating a riding stable - therefore if he does not operate such there is no requirement for him to obtain a development

permit from this council.

Mr. W. M. Smith (SE 6-55-22-4) sent a letter dated May 7, requesting a second entrance to his property. Council moved to advise Mr. Smith that the municipal policy is to supply only one entrance or approach to each parcel of land.

## WATER LINE REQUEST

Letter from Mr. E. A. Creurer of Agratic Industries Ltd. - Lot D.E.F. 4 G plan 5714 BA, was read to the council. It requested permission to install a water line in the east ditch of the road allowance on 156 Street from American Marietta Resin Co. going northerly for a distance of 750 feet to their property at a depth of at least 7 feet. If permission is granted, the company accepts all responsibilities for any damages, suits or claims arising from said erection. The ditch will be backfilled and given proper compaction.

Council granted permission to Agratic Industries to install the water line.

## LAND REQUEST

Letter from Mr. J. R. Warner, superintendent of the City of Edmonton was read to the council in relation to the purchase from Mrs. Mary Wilson the following parcels of land: Pt. SE 35-53-24-4 (19.90 acres) Block 1, 2 and 3, Plan 2736 ET, McKenzie Heights, having an acreage of 10, 10 4 10.53 acres respectively.

The City will be advised that the council of the Municipal District of Sturgeon have no objections to the City of Edmonton purchasing the above noted parcels of land.

## ROAD CANCELLATION

It was agreed that the municipality apply to the director of surveys for the cancellation of the following old road diversions that are no longer needed for public traffic: (a) Road Plan 7305 ET in sections 30, 31-56-22-4, (b) Road Plan 6370 BM in the W 1/2 6-57-22-4 (File 27861).

If said road plans are cancelled the land of the diversion in question is to revert back to adjacent landowners from where originally said land was taken.

## Letter to the Editor

### Democratic action defended

Dear Sir:

It would seem that a number of people abhor the actions of the Bon Accord and district Board of Trade. To abhor these actions is to abhor the very principles of democracy that this nation was founded on.

### Sturgeon students in Provincial meet

The A.S.A.A. Provincial Track Meet was held in Calgary on June 1st. Sturgeon area students left for Calgary on Friday after school. They arrived at the Palliser Hotel at 11 p.m.

The track meet started at 9:30 Saturday morning with some 750 athletes participating. The ideal conditions and the superior calibre of the athletes accounted for the fact that 21 athletes broke provincial high school

records.

Only two of the nine local students received ribbons. Glenda Schneider of Bon Accord received a fourth place ribbon for her effort in the Junior girls' discus. David Holes of Georges Vanter also received a fourth place ribbon for the Junior boys' high jump.

All students enjoyed participating in this yearly event with their hopes turned towards next year.

The brief, that was published, outlined these findings:

Another public meeting will be held in the Bon Accord community centre on June 17, 1968 commencing at 8 p.m., to report to the people the actions of the committee and their reply from the divisional board.

If the ratepayers are happy with conditions as they are; if they wish to bus the high school students over twenty miles of gravel roads or over pavement that has one of the highest accident rates in the province; if they do not want information as to what is happening to their tax dollar then they will not attend this meeting and the committee will be dispersed.

As a matter of information building permits issued in Bon Accord to date would indicate a population increase of at least seventeen families and I believe Gibbons is even greater than that.

There is reason for concern.

Yours truly,  
E. Brennan.

### Beginners in June Grade 1 Program

Parents of children who will be six years old on or before the 31st of December, 1968 and who will be commencing school on September 2 of this year are requested to register their children at the school in their district for the Beginners-in-June program.

This orientation program is to be held from June 17 to 28 at the following schools:-

BON ACCORD  
CAMILLA  
CUNNINGHAM  
GIBBONS  
HORSE HILL  
MISSION PARK  
NAMAO  
ST. CHARLES

NOTE: (1) Beginning students who would normally be pre-registered in Alcomdale School will be expected to pre-register in Camilla School.

(2) Those who would normally be pre-registered in Saskatchewan School will be expected to pre-register in Horse Hill School.

It is very important that these children be pre-registered so that bus and other arrangements can be made and information can be sent to the parents.

## Agriculture Policy of the Liberals

The following policies have been put forward by Prime Minister Pierre Elliott Trudeau and the Hon. Joe Greene, Minister of Agriculture during the campaign. I am summarizing and re-stating them for your convenience.

1) Set an objective of exporting 1.3 billion bushels of Canadian Wheat over the next three years. To achieve this objective, the government will assist the Canadian Wheat Board by:

(a) Re-assessing our foreign policy, with an eye to improving our diplomatic and trade relations with prospective customers.

(b) Reviewing and amending our foreign policy, with an eye to improving our diplomatic and trade relations with prospective customers.

(c) Extending our food aid program to the hungry nations of the world. We have already committed Canada to 1.5 million tons of food aid during the next three years under the new International Grains Agreement.

2) To develop, along with all interested parties, a self sustaining income protection plan for grain producers. The aim of the plan would be to provide minimum income assurance against declines in prices or sales, and therefore guarantee more income stability for the grain farmer.

3) To consult with the provinces about transferring the overall authority for the marketing of agricultural products to the federal government. Once this is achieved, the government would encourage the development of national and inter-provincial marketing boards for each commodity.

4) To establish a small farm policy by differentiating farms according to productivity and size. This would provide a basis for modifying programmes to meet the particular needs of farms and different sizes.

5) Amend farm credit legislation to broaden its applicability and encourage more young people into the farming business.

6) Consulting with the provinces to establish a farm management information assistance for the family farmer in all regions of Canada. The service would provide farmers with the tools to analyze their business and pinpoint their strengths and weaknesses. The program would help farmers increase their income through improved management practices.

7) To renew and improve the Farm Improvement Loans Act by including a provision to allow the cabinet some flexibility in setting the interest rate to attract capital from the money market, yet keep rates below normal commercial rates by continuing the government guarantee.

8) Establishing a National Grains Council consisting of representatives of all groups related to the agriculture industry. The council would:

all would:

(a) review, appraise, and recommend on existing and proposed programs in the grain industry.

(b) assist in promoting export of Canadian grains.

(c) assist and promote research in all aspects of the grain industry.

9) To co-ordinate programs such as FRED, ARDA and ADA under a new ministry to work more efficiently

towards eliminating regional disparity and creating a just society.

10) Calling a national conference on agriculture next year to set national goals and policies for all segments of the industry. The conference would follow the report of the agricultural task force which is presently analyzing all facets of agriculture and is to report in December of this year.

Some 20 pre-schoolers attended school for one week in preparation for the September school term. The week was climaxed by a picnic and track meet on Friday afternoon.

Mrs. T. Baert and Darcy, accompanied by Mr. and Mrs. Roger Hansen spent the week end at their cottage at Island Lake near Athabasca.

The numerous fishermen recently trying their luck included Mr. and Mrs. Bert Sabourin, Mr. and Mrs. Paul Regimbald, Mr. and Mrs. Bill St. Arnaud, Mr. and Mrs. Leon Huot, Mr. Marcel Bernard and Mr. Roger Laplante.

Best wishes are extended to Mr. Ed Bourque, one of the Vimy Rocket's hockey players who was married last week. The happy bride was Miss Lorraine Harvey from Edmonton.

Due to the high winds which occurred Monday, Mr. and Mrs. Ed Sabourin's farm was threatened by fire which was burning a good distance away in bush and timberland.

Mr. and Mrs. Leon Huot accompanied by their daughter and son-in-law, Mr. and Mrs. Alec Cyre, motored to Plamondon where they visited the latter's parents.

The Vimy C.W.L. ladies held their regular meeting on Tuesday. A new slate of officers was elected for the coming year, Mrs. Maggie Blanchette was elected president, Mrs. Tony Seguin vice president, Mrs. Madeleine Shank 1st vice president, Mrs. Irene Regimbald secretary, and Mrs. Evelyn Hein as treasurer. The

newly elected council are confident they will receive co-operation from its members and the community assuring continued success.

Mr. and Mrs. Leon Huot and Mr. Hector Huot spent the week-end at Selbert Lake.

## Trustees interested in Hanson Report

The Sturgeon school board at their regular meeting May 29th, decided to send a letter to the M.D. Sturgeon Council requesting permission for the board to attend the municipal meeting June 13 to hear Mr. George Liguori speak on the Hanson Report and the proposed annexation with Edmonton.

A letter was sent to Vernon Lewis indicating that the board cannot grant his request to transfer the community sports grounds to the grounds of the Bon Accord school.

The board passed a motion that the Saskatchewan school be closed following completion of classes June 28. The Horse Hill school will be the designated school for the children presently in the Saskatchewan School attendance area.

Mr. Steben, supervisor of guidance, distributed a list of students that are possible candidates for the opportunity room in St. Albert. He was instructed to proceed with plans for making arrangements with the parents concerned.

The following staff appointments were confirmed: Walter J. Heppler, principal of Mission Park School; Alex H. Letts, principal of Horse Hill School, and Desmond McDonald, vice principal at Horse Hill, all effective 2nd September, 1968.

Walter H. Parsons will be transferred from the

Saskatchewan School to the Horse Hill School. Mrs. Marion Black's resignation was accepted with regret. Superintendent A. E. Kunst and Mr. Heppler were in-

structed to interview possible candidates for the position of acting vice principal at Mission Park, and make a recommendation for the next board meeting.

## Figure Skaters Banquet

LEGAL - The Legal Craft Club sponsored again the Mother and Daughter banquet for the figure skaters. This banquet was held last Wednesday at the Recreation Centre. Seated at the headtable was the Craft Club president Mrs. Angela Montpetit, Mrs. Edna Mercier secretary, Sherry Ann St.

Martin figure skating instructress, her two amateur coaches Bernice Mercier and Henriette Auger and the guest of honor Mlle. Feteau Village 1967 Georgette (Pare) Vandenhouten.

Mrs. Montpetit presided the evening and called upon Mlle. Feteau Village to present a trophy to Sherry Ann

in appreciation for a job well done. The amateur coaches who had helped Sherry Ann also received a trophy.

Sherry Ann then presented an initialed clutch purse to Bernice Mercier a second year coach and also to Henriette Auger a first year amateur coach in appreciation for all their services rendered in instructing the girls during the season.

## Legal Locals

Mr. Gilles Rheume and Camille Miller from Gifford Quebec, accompanied by Father E. Rheume of Edmonton, were weekend visitors at the home of Mr. and Mrs. Leon Prefontaine, also Mrs. Raymond Leblanc and Mrs. John Roy from St. Albert.

Everyone is invited to attend a gymkana at the Citadel Park grounds Sunday afternoon. Come and watch these agile cowboys ride.

Thanks are extended to the Knights of Columbus council who arranged for a sign in the churchyard indicating the hours of the Sunday masses and to Mr. Patrick Mahe and Frank Ouelette for erecting it.

The community would like to welcome Mr. and Mrs. Gordon Carlson (nee Gilbete St. Jean) who have recently purchased Norm Evett's residence.

The village's fire chief Raoul St. Jean has really brightened up his home with the second coat of white and blue stucco and the blue painted windows and carport. Very attractive!

Baseball schedule for games played in Legal: June 12, 6:45 p.m. St. Albert vs. Legal; June 19, 6:45 p.m. Morinville vs. Legal; June 23, 2:30 p.m. Thorhild vs. Legal; July 3, 6:45 p.m. Fawcett vs. Legal.

The players would really appreciate it if more people

would attend and encourage them. Come and cheer for our "Legal Team" and provide the enthusiasm and encouragement needed to make a good team. "See you with your family at the Ball Games?"

Mrs. Van de Walle from St. Albert was a weekend visitor at the home of her son and daughter-in-law, Mr. and Mrs. Walter Van de Walle.

Mrs. Richard Hunting and Mrs. Barry attended the Provincial C.W.L. convention Sunday at Morinville. The ladies really enjoyed their day and found it most informative.

## County hears Report

Cont'd from Page 1

council meeting of June 14 at 1:30 p.m.

Mr. Wilson stated that most of the committee's report had been dealt with under Municipal Employees Salaries for 1968. As to the appointment of a Recreational Board of Directors, the committee assured a recommendation will be submitted at the June meeting.

### HANSON REPORT

The secretary treasurer had prepared one copy of the Hanson report on city annexation of land for circulation among the council. Mr. Van de Walle took the report and is to return same as soon as he has had the opportunity to read it. Council will extend an invitation to Mr. George Liguori to attend the June 13 council meeting at 3:00 p.m.

### SUBDIVISION APPEAL

Mr. Derouin attended the meeting and submitted his appeal to council re proposed subdivision SE 27-56-22-4 for reconsideration of its recommendation to the planning commission. He stated that he had received many inquiries from people working at the Imperial Oil Plant wishing to purchase an acreage from his property for residential purposes. The council informed Mr. Derouin that under the planning act, he had the privilege to appeal to the provincial planning board the planning commission rejection of his proposed subdivision.

He requested council to consider installing adequate culverts on the road adjacent to his property, if such are installed these will provide the necessary drainage to his property. He submitted to council a petition, signed by 106 property owners adjacent to the road south west from the mouth or junction of the Sturgeon River to highway 15 (approx. 6 miles and from the Sturgeon River north 4 miles) requesting the council to consider improving above mentioned road, by hard surfacing or oiling for dust control.

The council assured Mr. Derouin that his requests will be given consideration.

### SURVIVAL PLAN

Mr. Mitchell of the above organization and Mr. Reg Austin, civil defence coord-

inator for this municipality, attended the meeting and informed council of the new arrangements and areas of the above noted organization and gave a brief outline of the program as proposed. The authorities who have joined are the M.D.'s of Sturgeon, Stony Plain, counties of Strathcona and Leduc, City of Edmonton, towns of St. Albert and Morinville, villages of Legal and Gibbons. The program that was prepared for this municipality would be named the Sturgeon

### LIFE INSURANCE

Record purchases during 1967 have brought the average amount of life insurance owned per household in Canada up to about \$18,000.

Commercial laundries, which had existed in ancient times, virtually disappeared during the Middle Ages because the woolen clothing that everyone wore usually never was washed.

## BY-LAWS

By-laws to cover the construction of the agriculture service board building yard and fence, the purchase on a new motor grader, and the purchase of three half-ton trucks were given final readings by the council of the M.D. of Sturgeon at their May meeting.

C. J. Wood is contractor for the ASB building which is estimated to cost \$43,000 for contractor and contingencies. Wire rope Industries will erect a perimeter fence for municipal storage yard at an estimated cost of \$2,200.

A new Model D600 Champion motor grader will be purchased from Ferguson Supply Ltd. at a price of \$33,153, less trade-in on 1951 Caterpillar No. 12 for \$7,210, for a net of \$25,943. Three new 1968 half-ton trucks will be purchased from Pelletier Ford Sales Ltd. for a total price of \$7,833.

On the matter of the municipal gravel quarry, Mr. Van de Walle informed council that he had in mind 3 or 4 quarters of land which he expects to have fairly good gravel deposits. He requested council's permission to hire the necessary equipment to carry out gravel tests on said land which is located north east of Legal

in the M.D. of Westlock Council authorized Mr. Van de Walle to hire the necessary equipment to carry out gravel tests on land in question. They requested that he obtains information on the purchase price of said land or leasing agreement with royalty payments to owner if the gravel tests prove satisfactory gravel deposits.

## GRAVEL LOADS

Messrs. L. L. Gilbert and McPhee of Consolidated Concrete attended the meeting in order to obtain council's permission to haul gravel with trucks of 72,000 pounds maximum weight. Mr. Gilbert stated that his company was prepared to accept the financial responsibility for the extra costs of road maintenance, graveling and dust control. He felt that Apex Gravel Co., who also has a gravel development project in the same area should be requested to share in the costs of above mentioned road maintenance with his company. He assured the council he was prepared to post a performance bond with this municipality if so requested. He anticipated that his company would be in operation by the end of August of this year. The council informed Messrs. Gilbert and McPhee that the

## CLARIFICATION

In an article appearing in the March 27th issue of The Gazette under the heading "Use of Surplus Huts Discussed" reference was made to Mrs. Liesbeth Bakker, wife of Councillor Bakker.

The Gazette, the publisher and the author of the article, wish to make it clear that they did not intend to suggest that Mrs. Bakker would receive any personal gain from the fact that the Creative Schools society received approval for the use of town owned huts.

It is realized that this is a non-profit society and neither the society nor any of its members are in a position to use any funds for any purpose other than those for which it was incorporated.

The Gazette did not intend to impute any improper motive to Mrs. Bakker, and apologizes for any distress or embarrassment that may have been caused to her.

members would consider his request to have a road that would meet his company's load weight requirements on the Villeneuve east road on temporary basis until the road south of Villeneuve to 118 Avenue be constructed to 72,000 pounds road specifications.

The public works committee will make a study of the situation and submit a recommendation at the next council meeting.

## Shower honours Legal girl

LEGAL - A number of friends and relatives gathered at the community centre Sunday afternoon for a miscellaneous shower in honor of Helene Laframboise.

Helene looked charming in her white and hot pink chiffon over taffeta dress, complimented by a corsage of white apple blossoms.

Seated at the headtable,

beautifully decorated with streamers and bouquets of lilacs, were the honoured guest, her mother Mrs. Olivier Laframboise and Mrs. Hector St. Louis the future groom's mother.

A number of games were enjoyed, followed by the opening of the gifts. Helene then thanked the hostesses, Cecile Regimbald and Marie Laframboise for organizing

this memorable afternoon and also everyone for their best wishes tucked in all their useful gifts. To conclude the bridal shower a delicious lunch was served.

Helene is the bride elect of Andre St. Louis from Picardville. The ceremony will take place in Legal's St. Emile's Church on June 22nd.
